AGREEMENT TO HIRE EQUIPMENT

By Transport Guru Limited (**Transport Guru**) providing this Hire Agreement to the Customer, and the Customer signing below and returning a copy to Transport Guru, Transport Guru agrees to hire, and the Customer agrees to take on hire, the equipment described in Schedule Two (**Equipment**) for the term described in Schedule One, on and subject to the applicable Terms and Conditions (as defined below) and as set out in Schedule One and Schedule Two.

The terms and conditions applicable to this Hire Agreement (**Terms and Conditions**) are as follows:

1. Where the Customer has at any time signed an Account Application Form with the Transport Guru Group and that Account Application Form remains in effect, then the hire of the Equipment is on and subject to the terms and conditions that apply to the Account Application Form. For avoidance of doubt, the Customer is deemed to be the 'Account Holder' and the Equipment is deemed to be 'Goods' for the purpose of the Account Application Form.
2. In all cases other than as described in 1 above, the hire of the Equipment is on and subject to the terms and conditions set out in the Transport Guru Agreement Terms and Conditions. By signing below, the Customer acknowledges that they have received, read and agree to the Transport Guru Agreement Terms and Conditions.

Transport Guru shall not be bound by any amendments made to this Hire Agreement by the Customer or other third party. Transport Guru may terminate this Hire Agreement by notifying the Customer if it is signed and returned by the Customer to Transport Guru more than 30 days after the date specified at the top of this Hire Agreement. The Customer may request any necessary changes to this Hire Agreement by contacting Transport Guru prior to signing. This Hire Agreement shall, to the extent of any conflict, prevail over any previous hire agreement between Transport Guru and the Customer in respect of the same Equipment.

The person signing below on behalf of the Customer warrants and undertakes that they are authorised to legally bind the Customer as set out in this Hire Agreement.

If a Guarantor named below has previously provided a guarantee in favour of Transport Guru or the Transport Guru Group (**Previous Guarantor**) which includes the moneys payable and other obligations owed by the Customer to Transport Guru pursuant to this Hire Agreement and that guarantee remains in effect (**Previous Guarantee**), then by signing below, each Previous Guarantor acknowledges that the Previous Guarantee will continue to apply in respect of the moneys payable, and performance of the obligations, set out in this Hire Agreement. For the avoidance of doubt, the Previous Guarantee, and its application to this Hire Agreement, is not affected in any way if a Previous Guarantor does not sign below.

If a Guarantor named below has not previously provided a guarantee in favour of Transport Guru or the Transport Guru Group which includes the moneys payable and other obligations owed by the Customer to Transport Guru pursuant to this Hire Agreement or such guarantee was provided but is no longer in effect, then by signing below, each Guarantor hereby guarantees the Customer's payment of all moneys, performance of all obligations, set out in this Hire Agreement to Transport Guru, and agrees to all other applicable terms and conditions applicable to the Guarantor as set out in the Terms and Conditions.
